

Work Experience Application Form

If you intend to apply for work experience with Avon Protection plc, please complete the following form and return it to earlycareers@avon-protection.com.

We currently offer the below bespoke opportunities for students who are accepted for work experience:

- Science experience, learning about our internal laboratory and its application across our manufacturing facility, there will also be opportunity to make your very own rubber.
- Engineering experience, learning about the current design and development projects being undertaken at Hampton Park West supplemented with engineering in action and design challenges.
- Commercial experience learning about the operations undertaken in a busy office environment including but not limited to marketing, IT and customer service.

Throughout the year, we receive a number of requests for work experience. Due to this high volume we will endeavour to fulfil your request however we have limited spaces. Avon Protection will only consider applicants that have filled out the Work Experience Application Form; the more information you can provide us the better tailored we can make your placement.
